

Potentially Vulnerable Areas (PVAs) for Flood Risk Management in Scotland

3.	<p>Please indicate whom you are responding of behalf of, using the categories below:</p> <ul style="list-style-type: none"> • Member of public/interest or community group • Business • Responsible authority designated under FRM Act 2009 • Other public body/non-governmental organisation (NGO) • Consultancy/academia • Other (please respond below)
4.	<p>Do you agree or disagree with the approach taken to review the PVAs:</p> <ul style="list-style-type: none"> • Agree • Neither Agree nor Disagree • Disagree <p>Please comment on your answer</p>
5.	<p>Do you agree or disagree with the move to community scale PVAs?</p> <ul style="list-style-type: none"> • Agree • Neither agree nor disagree • Disagree <p>Please comment on your answer</p>
<p>Scottish Water is commenting here at a national scale as a national organisation. Local comments have been provided by Scottish Water as a responsible authority through the Local Plan district groups.</p>	
16.	<p>We would like to hear your comments on the proposed PVAs on a national scale. Please leave your comments in the space below.</p>
<p>Scottish Water supports the approach taken by SEPA to update the PVA designations and will continue to provide local information as a responsible authority through the existing processes developed under the Flood Risk Management (Scotland) Act.</p>
